IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

TERRENCE ANTONIO BUCHANAN, II,

    Plaintiff,

  v.

DEPUTY SHERIFF JOHN DOE (1-3),

    Defendants.

ORDER

Case No. 18-cv-531-wmc

Pro se plaintiff Terrence Antonio Buchanan, II, is proceeding in this lawsuit against three John Doe defendants, on claims that on July 6, 2016, they failed to provide his inhaler when he needed it, and then used excessive force against him in extracting him from his cell. The court set August 2, 2019, as plaintiff's deadline to file an amended complaint naming those Doe defendants. On August 20, 2019, after that deadline passed and Buchanan had not filed anything identifying the Doe defendants or contacted the court seeking an extension of that deadline, the court gave Buchanan until September 10, 2019, to file an amended complaint identifying the Doe defendants. (Dkt. #18.) The court warned Buchanan that if he missed that deadline, absent good cause for that failure, the court would dismiss this case without prejudice.

On September 5, 2019, that order was returned to the court as undeliverable, and at that time, Buchanan had not apprised the court of his new address. (Dkt. #19.) However, on September 19, 2019, Buchanan notified the court of his updated address, allowing the court to send him a copy of the August 20 order that day. Still, over two weeks has passed since the court sent him that order, but the court has not received any

communication from Buchanan suggesting that he is still attempting to identify the Doe defendants or litigate this case. Accordingly, the court is now dismissing this lawsuit without prejudice, for Buchanan's failure to identify the Doe defendants.

ORDER

IT IS ORDERED that:

1) Plaintiff Terrence Buchanan's claims in this lawsuit are dismissed without prejudice, for failure to identify the Doe defendants.

2) The clerk of court is directed to enter judgment and close this case.

Dated this 9th day of October, 2019.
